Important Notes:

1. A customer need to select current class of the child, and 2nd and 3rd class shall get selected automatically.

2. In case, a customer select first class of child as 5th Standard, 2nd class shall be 6th Standard and 3rd class 7th standard but, a customer select 11th Class as first choice, 2nd class shall be allowed of 12th Standard and Nil for 3rd class because, Smart School Education support digital study content upto 12th class for CBSE and 10th class for ICSE board

3. Board selected for 1st Class shall be applicable for 2nd and 3rd year Class as well, customer can't change borad

4. First year content shall be delivered in a PenDrive under SmartSchool Education KIT

5. First year KIT activation needs to be done within the same year of receipt of KIT, and once installed/activated on system shall not work on any other machine, if by any chance system needs to be changed, customer has to reach to support team

6. Serial key used on one system cannot be again used on any other system.

7. Customer is advised to keep license card for any further correspondance or support from Smart School

8. Activation of second year and 3rd year needs to be done as per process defined and communicated under KIT, like download of content from their website and activation of 2nd and 3rd year kit by using activation code provided in kit.

9. At the time of selection of board and class, please refer above table to understand subject that shall be offered in content

10. For any support related to the course content, please write to sadaf@smartschoolonline.in or call +91-9990995881
